

Open Science

ZPID is the Public Open Science Institute for Psychology. All of its services are always accessible to various interest groups.

Our services

Become part of the open science movement

The Leibniz Institute for Psychology Information (ZPID) in Trier (Germany) is an internationally renowned research support organization in psychology and a member of the prestigious Leibniz Association.

To fulfill the ever-increasing research infrastructure needs expressed by researchers and psychology professionals, ZPID is in the process of strategic expansion directed at meeting these needs to become psychology's one-stop research service center. Current as well as future ZPID research areas and services are based on and guided by the values of open science and open innovation.

Join the growing ZPID team at the forefront of the open science movement! Current opening:

Research Associate (m/f/d): Information and Retrieval Services

(salary group TV-L E13, 50%, initially limited to 2 years)

Preferred start date is January 1, 2020 or later

Duties and functions:

Supporting ZPID services in the following areas:

- Documentation of German and English language psychology literature for our reference database PSYINDEX
- Assigning metadata and writing / revising abstracts of scientific publications
- Contributing to the development of an ontology of psychology

Your profile:

- Master-level degree in psychology
- Very good basic knowledge of all areas of psychology
- Ability to communicate complex and technical information in a clear and concise manner
- Interest in scientific communication and the dissemination of scientific results
- Experience with database search interfaces and modern communication tools
- Excellent English language skills and very good knowledge of English and German psychological terminology
